Hi Elizabeth,

I am attaching the letter we sent to Tucson Audubon Society. We are in the process of gathering information about the project and any changes since the permit was issued in 2006. Let me know if you want to discuss further.

Thank you!

Sallie

Subject: [EXTERNAL] Villages at Vigneto

Good morning Sallie,

EPA HQ requested Region IX respond to letters of concern sent to the EPA Administrator regarding the proposed Villages at Vigneto development. In preparing our response, I wanted to check in with you to get an update. Has the Corps completed a review of the new proposal and made a determination on the permit?

Thanks, Elizabeth
